Benefits in being a *group* member of PAAW!

- **Member dues price** based on your annual call numbers. Join at anytime during the year!
- **No picking or choosing** which employees receive association benefits—they all do!
- **Representation on important EMS legislation and initiatives** in Wisconsin and nationally. Hear directly from PAAW's two lobbyists in Madison every month in a member conference call. No other state association allows direct access to its lobbyists to get updates, ask questions and get answers. In addition, we receive national news and legislative updates from the American Ambulance Association and National Association of EMTs.
- **EMS to the Point and Wisconsin EMS Live webcast programs** on important topics and timely information with people with the answers or knowledge. Listen today at www.paaw.us/webcasts.
- **Stars of Life Awards** program offers ambulance services the opportunity to select persons who make a difference everyday in patient care and their operation. Stars attend the PSOW Awards and Dinner banquet, and an event in their honor at the State Capitol in Madison meeting their local legislators and government officials.
- **North America's largest EMS group purchasing program** — North Central EMS Cooperative — which includes thousands of products, equipment and service discounts — even ambulance vehicles. PAAW even pays the \$75 annual fee for you!
- **Preferred customer pricing** with EMS Manager (\$200 new customer discount) for online employee scheduling and Transworld flat-fee past due patient bill collections.
- **NETWORK, NETWORK, NETWORK** with fellow EMS directors and managers!
- **FREE 12-month subscription** to magazine for each person in your group, a \$40 value per person, to the nationally **EMSWORLD** acclaimed monthly publication.
- **Keeping you informed** about important information through timely communications and direct messaging that is appropriate, accurate and positive.
